## FUNDING ADVICE SERVICE

## Free funding advice to voluntary and community groups in south Wiltshire

The South Wiltshire Funding Advice Service is a free advice and information resource provided by Salisbury District Council, Wessex Community Action and Wiltshire Charities Information Bureau. The service provides information, advice, support and training to voluntary and community groups regarding all funding related matters, including:

- **sources of funding**
- **fundraising plans**
- **funding applications; and**
- **funding administration**

For a one-to-one appointment please call: 01722 421747  
or email: [swfas@wessexcommunityaction.org.uk](mailto:swfas@wessexcommunityaction.org.uk).

For phone-line advice and general funding information please call 01722 434702 or 01380 729279

# Wessex Community Action

## Group Development Worker

The role of Wessex Community Action's Group Development Worker is to promote training, good practice and efficient and effective ways of working in the voluntary and community sector. Working within the partnership of the South Wiltshire Funding Advice Service, we aim to provide an inclusive service to voluntary and community organisations in south Wiltshire.

Contact us for the current training programme, advice, information and support on any issues connected with voluntary and community activity including:

- **organisational structures**
- **developing governing documents and policies**
- **developing management committees**
- **charity and company registration, where appropriate**
- **developing your services**
- **action plans or business plans**
- **monitoring systems and quality assurance systems**
- **staff, trustee and volunteer training and development**
